Divano modulare dalle forme pure e un'estrema versatilità compositiva. La sottile struttura esterna accoglie come un guscio i morbidi cuscini di schienale e seduta caratterizzati dal taglio a 45 gradi. Elementi disponibili in diverse dimensioni e in due profondità abbinabili anche nella medesima composizione. La presenza di una struttura esterna offre lo spunto per raffinati abbinamenti di pelle e tessuto o di tessuti differenti. Bacon, proposto nella versione 'kuoio', presenta le medesime proporzioni e volumi ma con la struttura esterna in cuoio. Anche questa versione nasce in due profondità.

Modular sofa having pure forms and an exceptional modular versatility. The thin outer frame receives as a shell the soft back and seat cushions characterized by a 45° cut. The units are available in different sizes and in two depths which may be joined also in the same composition. The units have fully removable covers. The outer frame gives the opportunity for refined combinations of leather and fabric or different fabrics. Bacon, proposed in the version Kuoio, presents the same proportions but with the outer frame in saddle leather. Also this version offers two depths.

Divano molto versatile, composto da diversi elementi e forme, ideale sia per la casa, sia per il contract. Nel loro rigore, i volumi sono ammorbiditi da una stonatura accennata, e arricchiti da un'impuntura presente su strutture e cuscinate. Due le tipologie di schienali per altrettante sedute. La composizione si può arricchire aggiungendo i braccioli, disponibili in due spessori e altezze.

A very versatile sofa, composed by different units and shapes, perfect both for home and for contract. Even severe, volumes are smoothed by a slight rounding and enriched by a stitching on the frames and on the cushions. There are two kinds of back and seat cushions. The composition may be enriched by joining the armrests, available in two heights and thicknesses.

# Hector

Già dall'aspetto, il divano Hector restituisce l'idea di un comfort senza compromessi. Elegante e classico senza essere 'rigido', il divano è reso decisamente contemporaneo grazie alla scelta di soluzioni quali la peculiare profondità e l'assetto particolarmente basso. Un ricco profilo in tinta impreziosisce il divano.

Since from the look, the sofa Hector offers the idea of a comfort without any compromise. Elegant and classic without being 'rigid', the sofa is made certainly contemporary thanks to the choice of the peculiar depth and the particularly low layout. A rich piping in the same color enhances the sofa.

Un'alchimia unica di agio ed estetica, di look contemporaneo e tributi al passato e alla memoria. Il divano, dalle linee pure e dal rivestimento morbido, è reso riconoscibile dallo schienale leggermente inclinato che definisce tutta la linea. Perfetta per il relax, la seduta profonda può risultare idonea anche alla lettura o alla conversazione, supportata da cuscini o appoggiareni.

A unique ploy of comfort and beauty, of a contemporary look and tribute to the past and memory. The sofa, showing pure lines and soft cover, is made recognizable by the slightly slanted backrest which defines all the line. Perfect for relax, the deep seating may result suitable also for reading or for conversation, supported by cushions or lumbar-cushions.

Collezione di moduli componibili, ha il suo elemento centrale nel divano che, pensato come un accogliente nido in cui rifugiarsi, si distingue per la cospicua profondità della sua seduta. I vari elementi che completano la collezione permettono di personalizzare lo spazio sia con composizioni lineari, sia angolari o con chaise longue.

This collection of modular units has the central element in the sofa which, planned as a comfortable nest where to take shelter, stands out for its remarkable seating depth. The various units which complete the collection allow to customize the space whether with linear or corner or with chaise longue compositions.

## James Slim

Col suo schienale fisso e privo di cuscini e le sue dimensioni contenute, rappresenta la soluzione perfetta per piccoli spazi. Sua compagna ideale, la poltrona omonima dalla seduta a profondità ridotta, perfetta per conversare, leggere, o godersi in qualsiasi momento della giornata una pausa di relax.

With his fix back without cushions and its limited sizes, it represents the perfect solution for small spaces. Its perfect partner, the armchair having a limited depth, is the best for conversation, reading or for enjoying at any time in the day a relax break.

This urban sofa showing rounded shapes has a seating done by only one cushion. The removable cover supports the soft lines of the collection, leaving out at sight the details of the wooden low base.

Essenziale e rigoroso, il sistema di sedute ha come elemento caratterizzante un unico cuscino di seduta: una scelta estetica capace di conferire alla collezione un'immagine leggera e contemporanea, esaltata da volumi sottili e dai piedini in metallo che lo sollevano da terra.

Essential and severe, the seating system has as characteristic element one single seat cushion: an aesthetical choice conferring to the collection a contemporary look, which is enhanced by subtle volumes and metal feet which rise it from the floor.

# Timothy Timothy Kuoio

Tra le più complete e sfaccettate collezioni di divani in cui l'armonica convivenza tra le forme squadrate dei sistemi modulari e i morbidi volumi dei cuscini definiscono proporzioni impeccabili. Disponibili con struttura rivestita in tessuto o in pelle. Nella versione kuoio i divani possono essere arricchiti da dettagli sofisticati: base e pannelli laterali rivestiti in cuoio, ulteriormente impreziositi da doppie impunture e inserti in metallo color ottone e piedini metallici rivestiti in cuoio con un dettaglio in metallo color ottone. Oltre al sistema di sedute, la famiglia include un tavolino e un mobile contenitore.

Among one of the most complete and multifaceted collection of sofas, the harmonious cohabitation of the square shapes of the modular systems and the soft volumes of the cushions define the faultless proportions. Available with frame covered in fabric or leather. In the Kuoio version the sofas are enriched by sophisticated details: base and side panels covered in saddle leather, further enhanced by double stitching and metal inserts varnished in bronzed color. The units are lifted up from floor by metal feet covered in saddle leather with a metal detail varnished in brass color. Beside the seating system, the family includes a low table and a storage unit.

Collezione composta da poltroncina, pouf e panca imbottita: progettati per fare in modo che le dimensioni volutamente contenute non sacrificino nulla al comfort assoluto. Il basamento conferisce a ciascun elemento un look 'aereo', di grande levità.

Collection composed by a small armchair, pouf and padded bench: planned in order to make possible that the intentionally limited sizes don't give up anything to the maximum comfort. The base gives to each unit an 'airy' look, of a great lightness.

Poltroncina dal fascino discreto che, col suo schienale ricurvo e le rotondità che definiscono i braccioli, rappresenta un affettuoso omaggio alla tradizione riletta in chiave contemporanea. Ideale per il contract, ma agevolmente collocabile anche in ambito domestico, definita da una seduta monomaterica, la poltroncina riprende il disegno del modello Cecile, interpretandolo in dimensioni più contenute.

Perfect for contract, but easily suitable for domestic use, defined by a mono-material seating, the small armchair recalls the design of the Cecile, but in more limited dimensions.

Versione alta, e quindi ancora più 'eterea' della poltroncina Jo.  
Come la gemella, è disponibile con basamento girevole  
(in metallo nero opaco) o fisso (in legno di rovere tinto).  
La poltroncina Jill può presentare una struttura esterna  
in cuoio nei diversi colori della collezione.

High version, therefore even more 'airy' than small armchair Jo.  
As for the twin, it is available with the swivel base (in matt black  
metal) or fix (in stained oak). The small armchair Jill may have the  
outer shell in saddle leather in the different colors of our collection.

# Hardy Stool

È un reticolo di rette, un affascinante grafismo geometrico a definire il look di questi sgabelli, disponibili in tre dimensioni e dalla struttura in metallo disponibile in varie finiture. L'aspetto vagamente 'industrial' degli elementi, è addolcito dalla morbidezza delle sedute sfoderabili.

It is a lattice of straight lines, a charming geometric graphic that defines the look of these stools, which are available in three sizes, having the frame in metal in various finishes. The slightly 'industrial' look of the elements is mitigated by the softness of the seating, having removable covers.
