Timeless. Contemporary beds collection

/A Timeless space

Atmosfere intime e seducenti, nelle quali la tradizione prende un nuovo significato. Linee essenziali e immediate che nascono da una raffinata cultura del progetto, per disegnare un affascinante stile d'arredo e di vita. Volumi importanti per letti protagonisti di una totale reinterpretazione dello spazio notte. Con Timeless, Ivano Redaelli intraprende un nuovo percorso di ricerca, esplorando tre diversi temi: uno stile borghese, eclettico e vintage; un mood puro, semplice e naturale; un' eleganza romantica, interpretata con sensibilità per il mondo femminile. Sensazioni lussuose ed esclusive, tessuti pregiati di cachemire, lini, cotone e tweed, carezze soffici ed avvolgenti, cuciture e finiture da atelier sartoriale, compongono un linguaggio universale e senza tempo: dalla notte al giorno.

Inner and fascinating atmospheres, where tradition assumes a new meaning. Essential and direct lines originated from a refined culture of the project, in order to define a charming furnishing and life style. Important volumes for beds that are protagonist of a total new interpretation of the night space. With Timeless Ivano Redaelli starts a new way of search exploring three different subjects: a "bourgeoisie" style, eclectic and vintage; a pure mood, simple and natural; a romantic elegance explained with sensibility for women's world. Lovely and exclusive sensations, precious fabrics of cachemire, linen cotton and tweed, soft and winding caresses, sewings and finishings from couture-atelier make an universal and timeless language: from night to day.
